

Baby Carrier Stash Audit

Answer the following questions for each carrier in your stash.

Yes = 1, No = 0

Score of 4–5 = likely a keeper

Score of 3 = toss-up, reevaluate

Score of 0–2 = likely should sell

Baby Carrier	Would I buy this again today?	Do I actually reach for it?	Does it fill a unique role? (Fiber, size, type, etc)	Would I lose money by selling it?*	Would I regret not having it in my stash?	Score

**The carrier wouldn't resell for much, is damaged or well-used, or might not be worth the effort to list. If it feels like you'd take a loss or it wouldn't sell easily, it's a Yes (1).*
